Re: Employment Verification Request

Dear Sirs:

I am in the process of evaluating purchasing service credit from Colorado PERA. They have informed me that they require the following information:

- 1: Year(s) that I worked
- 2: Earnings for the year
- 3: Must be on company letterhead
- 4: Signed by an officer

Please note that Colorado PERA's rates are doubling and it is imperative that the letter include each of these items.

Send this letter to my address listed below and fax it to 866-867-0863.
